THE BANKRUPTCY OF SATAN

Excerpt from a message delivered by Pastor Tunde Bakare at the July 2021 Dominion Partners Meeting at the CGCC

Let us take a look at a particular truth whose understanding is lost or rather rare on many people in the body of Christ today. It is a revelation of the **BANKRUPTCY OF SATAN**.

This treatise is therefore an attempt to help the children of God know how to take back and realize everything the devil had stolen (John 10:10 "... he has come to steal, kill and destroy...."). God created a world of abundance for the benefit of His children, unfortunately, this is not real in the experience of the vast majority in the body of Christ.

In order to appreciate the enormity of resources available to the children of God, let us first of all take a look at the Net-Worth of the Almighty God.

The Bible has in it a declaration of God's assets as stated unequivocally in Psalm 24:1 "The earth is the Lord's, and all its fullness, the world and those who dwell therein"

As at today in the earth, there are three sets of people you will find on any parcel of land at any point in time;

1. The owner
2. The occupier
3. The trespasser

As far as the earth is concerned and according to Psalm 24:1, God is the owner of everyone and everything dwelling in and under the earth, this includes; crude oil, gas, gold, diamond etc. (Psalm 50:12, Jeremiah 10:10-16, Colossians 1:12-18, Revelation 4:1-11). At creation in the book of Genesis, God gave the legal occupation of the earth to Adam thereafter was the appearance of a trespasser – Satan, the devil who entered

and robbed man by deception of the provisions of God, therefore onus is upon every child of God to send eviction notice in judgement on every illegal occupant of everything that God has created for us to richly enjoy, because the law says that all trespassers shall be prosecuted.

To unlock the vast resources of God and appropriate the same into the experience of any child of God on the earth today, there are three tested and trusted keys that can be used;

1. The destiny key
2. The assignment key
3. The revelation key

THE DESTINY KEY

It must be understood that there is no one created by God that is destined to be poor or rich. The big issue therefore is in the fact that it is when you locate your destiny and line up with God that all kinds of resources - human, material and financial etc begins to gravitate towards you for the fulfillment of that destiny. Examples abound in the bible from stories around Joseph, Cyrus and Moses;

Joseph – He became aware of his destiny at the age of 17. Despite challenges and attempts by his brothers to frustrate that destiny, it eventually came to fulfilment against all odds by the time he turned 30 in a foreign land. Through the life of Joseph, we see that God can show you your destiny but will not show you all the routes involved, this helps to develop faith and absolute dependence on God for its fulfilment.

Cyrus - God spoke about the destiny of

Cyrus through Isaiah the prophet 125 years before he was born, long before his father met his mother for conception. Cyrus as prophesied became a powerful Gentile king who made a proclamation for the release of everything that was stolen from the temple and sent the children of God back to their land from captivity.

Moses - It took 40 years for Moses to actually know his destiny. He was too much of a Jew to become an Egyptian and too much an Egyptian to become a Jew. But at the age of 40 "IT" (the force of destiny) came into his heart to visit his brethren (Act 7:23), that force continued to push him till he led the children of Israel out of bondage.

THE ASSIGNMENT KEY

Genesis 37:2 – This is the history of Jacob, Joseph being 17 years.

It can be implied that the reason why Jacob came to the earth was because of Joseph.

Parenting is often not regarded by many as a sacred assignment. God expects us to carry out this assignment with an utmost sense of responsibility. Parents must not sleep on duty because according to Matthew 13:25, while men slept, the enemy came and sowed tares among wheats in the field.

Many children turn out in life to become liabilities on society because most mothers never realized that they are home makers therefore abdicated their duty posts in pursuit of other things. After the death of Rachel, Jacob played the role of father and mother to Joseph so well but was robbed of that fellowship when Joseph turned 17 through the conspiracy of his other children (The brothers of Joseph). But to God those 17 years were enough to fill him with what it will take to realize his destiny, however, God also ensured that both father and son reunited in glory and had another 17 years of bliss together in Egypt.

1. The Revelation Key

Psalm 68:1-13

We cannot be fully secured and grounded in faith especially in the area of finances until we have a crystal-clear revelation of God's abundance and operate in the same. Those who do not know the extent of the wealth of our God easily compromise their faith, winning by righteousness would be to such people a mere slogan because they are not

secure in God's provision.

According to Daniel the prophet, it is those who know their God that will be strong and do exploits. For you to do exploits you must also learn what Daniel did. He purposed in his heart that he would not defile himself with the King's portion of meat. It is with this foundation of revelation that you can like Daniel speak truth to power and say to the king, keep your gift to yourself and give your reward to another.

In order to fight the good fight of faith especially in the area of our finances it is very important to do a critical assessment of God's wealth and net worth side by side with the net worth of all the gods of this earth and the lords of the earth.

It was at calvary that the devil unwittingly filed bankruptcy (... for had the princes of this world knew it, they would not have crucified the Lord of glory -1Cor 2:8). By virtue of the sacrifice of the Lord Jesus Christ on the cross at calvary, all that Adam lost in the garden of Eden became restored to anyone in Christ Jesus, so whatever

Satan claims to have in his custody today are stolen resources from the children of God.

Satan was kicked out of heaven so that there will be no place for him in heaven. He was sent to the earth to suffer. When he was sent to the earth, the mandate of the Church is "give no place to the devil" (Ephesians 4:27). When we neglect our assignment and pursue gold instead of God, we put ourselves under the rule of the enemy and operate in the depths of Satan, which is the love of money (Rev 2:24).

Prayer

In this season of FULL, COMPLETE AND TOTAL RESTORATION:

#Lord let the pull of destiny come into my heart.

#Lord help me to identify and understand my assignment, so that I don't become part of a wasted generation.

N.B. God's man in God's place, doing God's work in God's way and at God's time will never lack God's support

Certain scriptures fascinate me, and on a high premium is the book of Ezra. I call it traversing between the prophetic and apostolic narratives.

While, on one hand, Ezra takes us down on a journey in history when there was a prevailing decadent spiritual ecosystem in the nation of Israel eliciting divine warnings and declaration of impending devastating consequences by His Servants; he also shows us divine scripted templates executed for restoration and transformation.

Prophets Jeremiah, Isaiah, Ezekiel among others were on different occasions sent by God to warn, rebuke, and engineer needed ethical adjustments for national reformation. Unfortunately, those efforts and instructions were observed in the breach. The national leaders were enmeshed in corruption, the spiritual leaders were complicit in the crime, while the people were indifferent to the scenario, Ezekiel 22 and Jeremiah 5: 18-31.

Ezra captured all these in his lamentation in **Ezra 9: 5-15**

Obviously, God scripted His restoration strategies and revealed the

accurate vessels chosen for the executions. King Cyrus, though a heathen and foreigner to the commonwealth of Israel, was predestined as the Divine instrument to facilitate the return from captivity.

He was to play a key role in the national and spiritual transformation, transition, reconstruction, and development of the covenant nation, Israel. Very remarkably, every event and practice played out according to the template already given.

These developments are clear indications that God is always a party to national, spiritual transformation and reconstruction movements. After all, He pre-determines the boundaries of every nation and the season of visitation, Acts 17: 26.

They bring to the fore our apostolic mandate which we must commit to. Everyone is involved in pulling down the old order, practices, and allegiances against God and His Kingdom, and rebuilding, reconstructing, transforming, and reforming creation according to the pattern given. Jeremiah 1:4-9, Isaiah 49: 1-26.

Isaiah in the bid to ensure that past blunders do not destroy future destinies put it bluntly, that **"those from among you Shall build the old waste places; You shall raise up the foundations of many generations; And you shall be called the Repairer of the Breach, The Restorer of Streets to Dwell In"**. Isaiah 58:12.

By implication from Ezra, every role, purpose, task, assignment, engagement, responsibility, or enterprise in life has an eternal value. There is already a preceding script.

Secondly, every role is an offshoot of an original template, design, instructions, or pattern given by God, and must be built accordingly. God instructed Moses, Solomon to build according to the pattern showed them. Abraham saw a pattern, Jesus built according to Glory shown Him, Hebrews 12:2, John 17: 1-5, Hebrews 8:1-6; Hebrews 9; Exodus 31, 36 & 40, 2 Chronicles 8:16.

Thirdly, every role, task, mission, or engagement is a reconstruction of the original concept that was disrupted, ruptured, defaced, or compromised by man and the fallen system (nonetheless, has an underlying eternal restoration plan, order or structure already in place). Genesis 1: 1-2, Genesis 3: 22, Ecclesiastes 7:29, Ecclesiastes 3:1-16, Psalm 102:12-13.

Fourthly, as the Wise Master Builder, God scripted, directed, inspired, and appointed vessels with passion, energy to initiate, develop and execute their respective roles in confirming every prophecy earlier given to establish His eternal purpose. Note that this has a high compliance quotient as He ensured both the stakeholders and supporters without fail, rallied with resources. There were bound to be challenges, obstacles, institutional oppositions but the God

factor and savviness pulled in as leverage.

By extension, God has called, graced, skilled, and put us in ministry, endeavors, businesses, among others to rebuild creation to His established pattern. Over the seasons, some of us had connected with this eternal plan and extending the kingdom values and principles in our domains and spheres of influence through random acts of human kindness, varying transformation initiatives, and ventures. Strategically, this has been the goal, vision, and mandate of the GAIN Network.

We celebrate those who are extending and executing this already while encouraging others not to be far way behind. As a challenge our Presiding Apostle, Dr. Tunde Bakare has been at the forefront of expressing and extending the Kingdom on many mountains. As covenant members of the Network, we can only redouble his efforts.

Gladly, we have showcased some transformation initiatives from different chapters. This edition will continue in the same trajectory. Thank you for the honest feedback and pictorials of your transformation initiatives as sent down.

As our GAIN Website comes on stream, we will have more platforms to promote, consolidate and collaborate on all of our efforts.

We encourage everyone to go beyond the norm. Let us extend the love of Christ, centralize God, catalyze change, establish scriptural standards, patterns and raise quality discipleship wherever we find ourselves. By so doing we facilitate the emergence of the Apostolic Church and establishments across the globe to impact the world, impart the Church, and Implant His Glory.

This is our GAIN mandate. This is our DNA. Run with it. Build our people to embrace it. Remember, Christ left His Church the way He wanted it, and He is coming back for the Church the way He left it.

Thank you.
